Dear Sir,

If you should be so fortunate as to have got round money or Carolina paper for the Georgia paper & audited certificate in your hands Mr. Wilcox will be a good hand to transmit it by -

I observe when the lands southwardly were sold that the tract we purchased of Demeré was likewise sold - but I find it was not conveyed to Mr. Habersham - if the Sheriff could be prevailed upon to make titles to any person you chuse & that person will convey it in the manner the other lands have been conveyed I shall be glad.

As I shall not have the pleasure of seeing you again before my departure for

New York I must entreat your care and  
attention to my affairs in your hands  
so as to make them answer any demands  
that may be brought against me -

If it were practicable to exchange or  
turn any of the lands of mine into a tract  
of 150 or 200 acres of good river swamp upon  
Argyle Island or in any good pitch of tide  
upon Savannah river I should like it and  
would give ten acres for one -

I hope your health is perfectly  
recovered by this time & that Mrs. Stephens  
is well present my best respects

With the greatest regard

I am

Dear Sir
